

# Titelbilder der Conrad-Kataloge

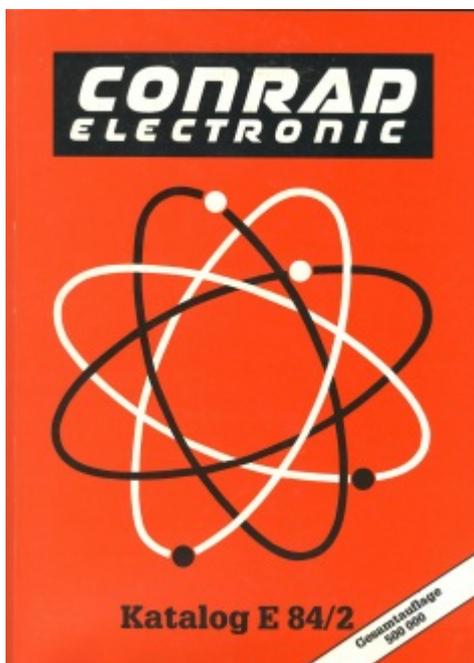

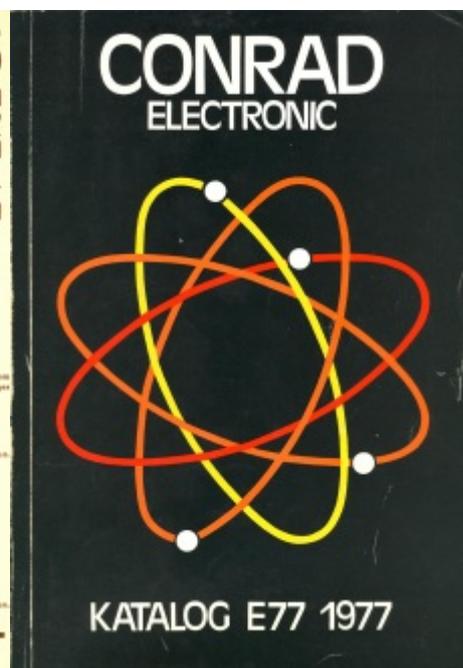

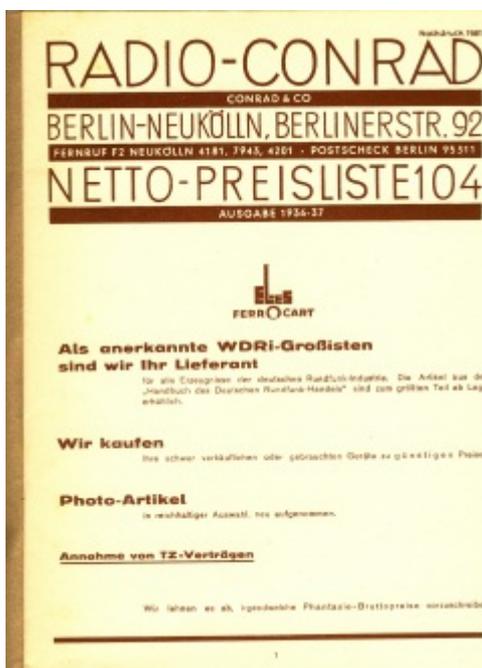

Conrad Electronic hat mich bereits mein ganzes Bastler-Leben über begleitet. Über die Jahre sammelten sich die Kataloge und es kam die Idee auf eine Übersicht zu erstellen. Man sieht schön was „damals“ als wichtig angesehen wurde.

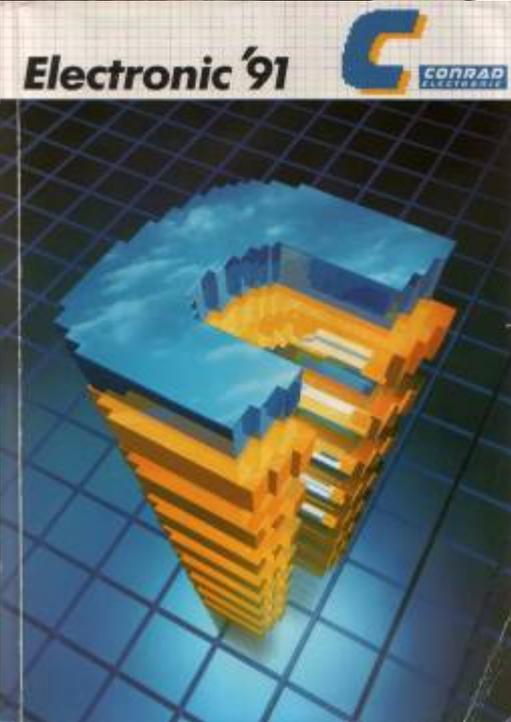

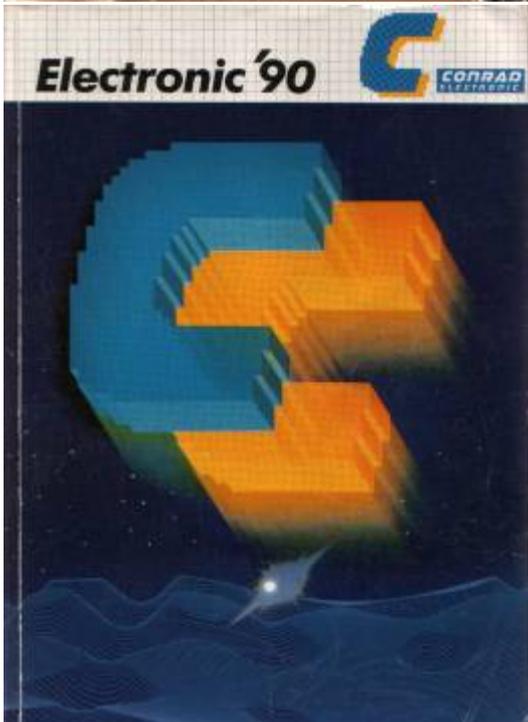

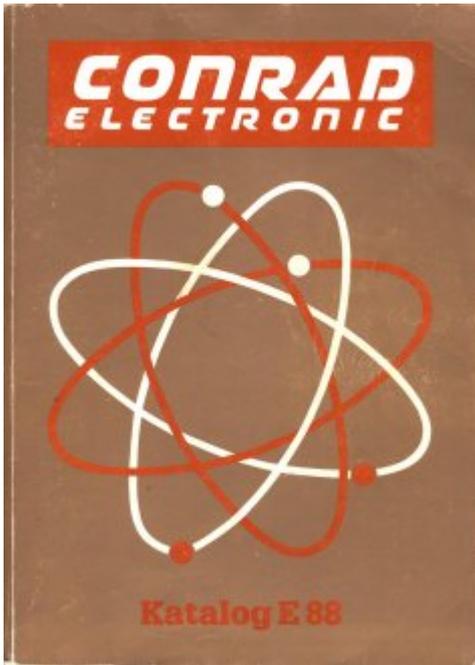

Hinweis: Das Copyright aller Titelbilder hier liegt zu 100% bei Conrad Electronic SE in Hirschau!

Viel Spass beim Stöbern!

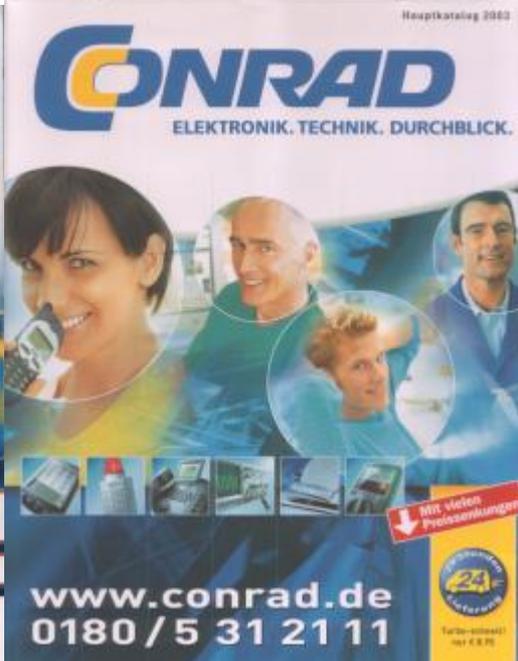

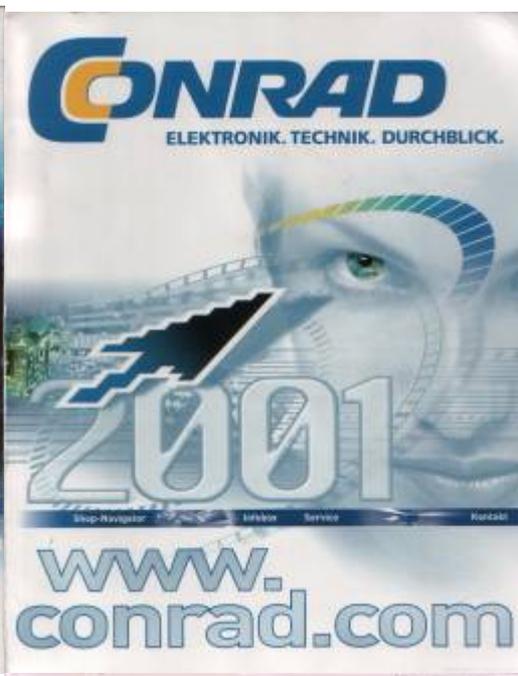

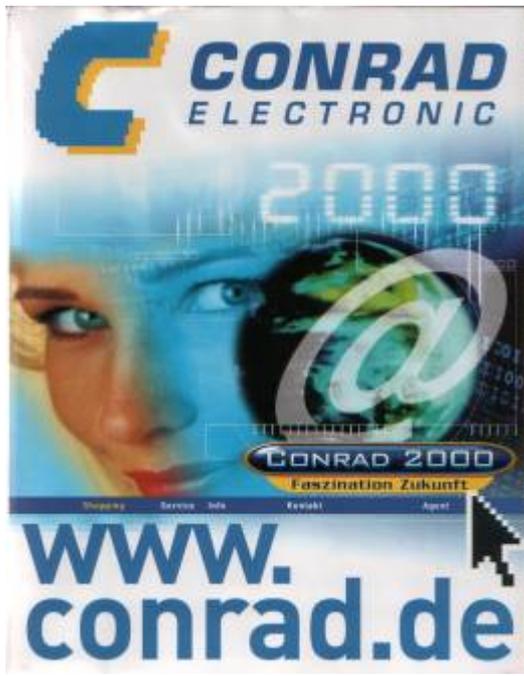

P.S. Wer noch mehr Titelbilder hat, die mir nicht vorliegen: Ich freue mich über jede Zusendung um das Titelbild-Archiv zu erweitern.
